

Alumni Policy QUSIT

Purpose

Our university's Alumni policy encompasses all initiatives which are directed to strengthen the ties both between the university and its alumni and between alumni themselves. Our aim is to keep the University's alumni informed, to be of service to them and to bring them together. The University would like to be not just a memory for its alumni, but also a place that alumni can return to, come 'home' to for training, for social activities or simply to meet each other again.

Scope

All graduates who have obtained Bachelor, Master, M.Phil or PhD degree from our university are alumni. Our database now contains the contact details of over 20000 alumni, who live all over the world and work in wide-ranging societal, socio-economic and scientific contexts. Our alumni population is very diverse. The university wishes to be a valuable partner for all of these different groups.

Objectives

1. To extend the help to the students of QUSIT, for placement in private and public sector organizations and also would facilitate industrial training opportunities.
2. To act as a bridge between the university and the industries for interaction on new developments in different disciplines of business, sciences and technology.
3. To assist the university to promote R & D activities, testing and consultancy.
4. To encourage the students from this university by awarding prizes to meritorious students showing bright performance in the field of education for higher studies.
5. To extend every possible help to the university authorities for overall progress of the institution with the collaboration of high profile Alumni serving different organizations.
6. To organize programmers on personality development, interview technique and leadership development, education in health science, Islam, literature, sports etc.

Benefits

1. Network

We believe and our Alumni recognize the Qurtuba University as a robust network to be in contact through, with numerous high profile resource personalities for their job prospects, training and development and professional grooming in their relevant fields. We arrange annual dinners for our Alumni which offer a good opportunity for them to interact with each other for future requirement relating to their field of specialty.

2. Career Services

We facilitate our Alumni for job search, career change, or hiring for Alumni own company etc. Alumni are usually offered exclusive job postings, resume reviews, networking events, and a variety of online videos and resources—often free of charge. More in-depth services, like career counseling or alumni-only career fairs, are likely also available, sometimes for a small fee.

3. Alumni Discount Card

University has good liaison with popular brand in every product category of daily usage to facilitate the Alumni for purchases on discounted rates through there Alumni Card.

4. Recognition

To organized our Alumni serving abroad or within the country are encouraged to develop an environment of collaboration and support with each for their needs for professional grooming and development. In the annual function the high contributors are recognized with awards and certificates for their services to the Alumni.
