Gender: Male **Date of birth**: 15/04/1998 **Nationality**: Pakistani

ABOUT ME

1. I am a former student of Edwardes College Peshawer. I am a qualified pharmacist with Bachelor's degree in Pharmacy and an MPhil in Pharmacy, equipping me with a comprehensive understanding of pharmaceutical sciences and healthcare practices. I have keen interest in teaching and monitoring the next generation of pharmacists, and I possess experience in delivering lectures and conducting workshops that enhances students' understanding and application of pharmaceutical knowledge. In addition to my academic involvement, I have practical experience as a pharmacist in both hospital and retail settings, where I have developed strong communication and interpersonal skills in patient interaction, medication management and healthcare collaboration. I am eager to apply my skills in various environments, including academia, clinical pharmacy and the pharmaceutical industry. My goal is to contribute effectively to patient health and wellbeing while fostering knowledge transfer and innovation in pharmacy practice.
